

## August Update

*Welcome to another edition of our newsletter! After celebrating the great 4th of July and Canada's 150th birthday, the remainder of July was filled with deals, properties and travels. It was an extremely busy month for the entire Hay2Brick team. Members of our team flew in from Hong Kong, Calgary and San Jose to visit one of our emerging markets, Cincinnati, and to tour multi-family properties in the area. We were then in Boston and attended the "Ultimate Partnering" event organized by RE Mentor. While short, it was an incredible 3 days and we were able to meet or reconnect with many other Real Estate Investors, Professionals and Entrepreneurs.*

*August is sure to be another exciting month as we are looking at more deals in the Cincinnati market and ready to make offers...stay tuned for our next issue!*

*Cheers,  
The Hay2Brick Team*

---

### A Walk in Cincinnati

One of the markets we currently really like is Cincinnati, OH. Our analysis shows that there are many indicators such as job and population growth which makes this market's multi-family properties very promising for investors.

Members of our team flew in to meet with the local Brokers, Property Managers and other members of our power team to get on the ground and toured prospective properties with 170+ units.

Our team was in Boston at the end of July for the Ultimate Partnering event hosted by RE Mentor. Aside from networking and listening to extremely knowledgeable presenters, we were also super excited to stand on the stage and introduce a deal to a crowd of more than 800 people - check out the clip below.

Lastly, what trip to Boston is complete without some delicious seafood? Ours was no exception and the oysters were a great finale to an amazing event - Thank You to all of you who were also at UP9! We hope to see you again soon!

**PS: Don't forget, we are always happy to chat and share with you on any deals we may be working on. Drop us an email or give us a call and let's connect!**
